

Greenway[®] VuCap
illuminates when UV lamp is working*

Features:

- Quick indication that UV lamp is on
- Safe to use- no UV escapes the unit
- Locks Lamp connector securely to UV Chamber - prevents accidental removal of lamp from the UV chamber
- Easy to install
- Can retrofit to many other brands' UV systems
- VuCap is recyclable

*Indication that the UV light is on, does not denote the UV lamp strength and/or effectiveness
